**Bio:** Fumiya Tanaka has been regarded as one of the legendary DJ/artists in Techno/House over 25years. He has been doing numerous projects such as his private label "Sundance" "TOREMA Records" and his recent works from "Perlon", his famous party "CHAOS" (in Tokyo and Osaka) through his long running career, he has been successfully expressing the possibilities of music. His unique style is focused on "minimal" house and techno, but through his play, he pulls out the beauty, the depth and the thickness of music and turns "minimal" into "maximum". This is one of the reasons why he is still at the top.
