Elena Moroder	Vocals	Mic Sennheiser e845 (Dynamic Mic)
Colm Mullally	Ableton Live	Ableton Push 2 UAD Apollo Twin Apple Macbook Pro Mid 2015

Items we need		
Item	Quantity	Details
XLR Cable 3m	1	Connection from Apollo to Microphone
Table 75x120cm	1	To fit Macbook pro 15 inch, Ableton Push & Apollo Twin
Mic Stand	1	To hold microphone during tracks with no vocals
1/4 Inch jack mono Cable 2m	2	To connect apollo line out to mixer Return
Laptop Stand	1	To hold a 15 inch Macbook Pro

Performance time 60 Minutes

- All vocal processing done in the box using UAD console Plugins
- We also need a soundcheck to check for technical issues prior to performing
- Monitoring done via in ears so we mute the booth monitors
- We can plug directly from the interface to a return channel on a mixer for example: Xone 92/96
